Grojec Airfield N 51-53. E 20-56: Reference to Encl. 1
Location of Grojec Airfield.

25X1

This was a Polish Military airfield.

the entire

airfield was surrounded by dense forest. two large hangars, one on the west end of airfield, the other on the south end. Hangars were 150 to 200 m. long,

airfield covered an area of six to four kilometers. as many as 40 aircraft in the air at one time. 25X1

Because of the dense forest. no information concerning runways and buildings.

airfield was connected with a spy school that was located four kilometers north of the airfield. often chauffeured passengers from this spy school to this airfield and stated that these passengers received parachute training at airfield.
